

## Debutante Honor Fund

The Debutante Honor Fund is a lovely way to honor your favorite debutante or thank party hosts while supporting the HSOG mission. All funds from this project are used to support the Huntsville Symphony Orchestra's 3<sup>rd</sup> Grade Violin Program. Honorees recognized by donations greater than \$15.00 will receive a beautifully wrapped custom-printed acknowledgment card. Donations for honorees that are less than \$15 are also appreciated and the honoree will be acknowledged with an electronic message.

Combined donations, per honoree, totaling \$275 or more will be memorialized with an engraved tag attached to one of the violins used in the program.

All donations are welcome and appreciated.
