

Guidelines for Nomination submission:

*Anyone can submit a nomination.

*Every eligible young lady must have a nomination form to be considered. It doesn't matter if they are the daughter of a previous debutante or a guild member.

*You can nominate only one young lady but can second as many as you like. You don't have to have the actual signature of a second, but you must have permission to use their name.

*Please only write on the front of the form and do not attach anything. The Deb Liaison will only copy two pages for the Selection Committee to review. Also, it is paper clipped—do not staple it together.

*The forms may be mailed or delivered in person to Sarah.

*Deadline to turn in the forms is January 31, 2024
